REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 C.F.R. § 1.323

Sir or Madam:

Pursuant to the provisions of 37 C.F.R. § 1.323, please enter the attached Certificate of Correction. The Certificate of Correction corrects independent claims 1, 18, 23, 27, and 30 in issued Patent 7,664,372, as such, ". . . a plurality of flags, each flag being associated with one of the plurality of entry points and identifying whether jumping to another clip file is permitted in relation to the one entry point, and mapping presentation start time information . . ." found at Column 10, line 23; Column 11, lines 15, 47; and Column 12, lines 20, 52 of the issued patent. This corrects a minor typographical error whereby a comma terminating the "each flag" clause was inadvertently omitted, resulting in said clause never ending. As such, correcting claims 1, 18, 23, 27, and 30 as shown in the Certificate of Correction only removes a minor, typographical mistake from the claim and does not constitute new matter or require reexamination. As such, entry of the Certificate of Correction is permissible under 37 C.F.R. § 1.323.
